

Chief Engineer

The Leeuwin Ocean Adventure Foundation is a not for profit organisation based in Fremantle, Western Australia. It operates Australia's largest ocean going tall ship, Leeuwin II, a 3 masted barquentine, purpose built to provide a platform for sail training and personal development youth programs in WA. The Leeuwin's mission is to "challenge and inspire education and development of our youth and wider community."

We are looking for safety conscious, self motivated individuals with a desire to experience sail training on a square rigged vessel.

Engineer

Certification

- Minimum MED2 or equivalent
- Refrigeration experience

This role requires you to have excellent people skills and have a passion for sailing.

For more information or an application pack please contact Chris Blake on +61 8 9430 4105 or via email coo@sailleeuwin.com (www.sailleeuwin.com)
